# REGLEMENT / GEDRAGSREGELS

- mijn Land Rover is in goede conditie, ingeschreven, gekeurd en verzekerd
  - het aantal inzittenden mag het wettelijk toegelaten aantal niet overschreiden
  - de FLRC behoudt zich het recht zowel personen als voertuigen te weigeren, zonder zich te hoeven verantwoorden
  - ik hou mij nauwgezet aan de algemene verkeersregels en eventuele bijkomende regels opgelegd door de FLRC of andere organisatie
  - ik rij niet in dronken toestand
  - ik respecteer de andere weggebruikers, en meer bepaald : wandelaars, fietsers, ruiters, jagers en landbouwvoertuigen. Indien mogelijk, plaats ik mij aan de kant en laat die eerst passeren
  - ik zal het verkeer op de openbare weg niet hinderen
  - ik besef dat een volgtocht of roadbook geen rally noch wedstrijd is, ik rij rustig en geniet van de omgeving.
  - ik hou voldoende afstand met mijn voorganger. Als een hindernis zich voordoet, laat ik de Land Rover voor mij die eerst volledig nemen vooraleer ik die neem
  - **ik wijk onder geen enkele omstandigheid af van het uitgestippelde parcours.**
- Ik blijf op de (aarde)wegen en rij of loop niet in de bermen of op het akkerland naast de (aarde)weg, ook niet om een vastgeraakte Land Rover los te trekken.**
- ik laat geen afval (dus ook geen sigarettepeuken) achter onderweg
  - ik zorg ervoor dat er geen modder achterblijft op asfaltwegen wanneer ik een aardeweg verlaat, desnoods ruim ik het op
  - als deelnemer rijd ik volledig op eigen risico en heb geen enkel verhaal tegen de FLRC noch tegen andere deelnemers. De FLRC heeft geen enkele verantwoordelijkheid jegens personen noch jegens materiaal. Het gebruik van mijn Land Rover, winch, hi-jack en ander recovery-materiaal gebeurt op eigen risico, en ik zal dan ook de nodige voorzichtigheid aan de dag leggen.
  - de FLRC is niet verantwoordelijk voor het wegslepen van voertuigen bij zware hindernissen of defecten aan het voertuig noch voor schade aan het eigen voertuig
  - ik verklaar alle kosten te dragen die ik mogelijks per ongeluk zou kunnen veroorzaken tijdens de tocht
