

EAST-WEST ADVENTURE

Pirates Day 2010

EAST-WEST

ADVENTURE

Handvest van de 4x4 rijder

- De wagen, quad of moto dient over alle wettelijke documenten te beschikken.
- Iedereen dient er zich bewust van te zijn dat hij deelneemt aan een uitstap en niet aan een snelheidswedstrijd of rally.
- U verbindt zich ertoe om alle wettelijk bepaalde snelheden te respecteren, bebouwde kom (BBK) 50 km per uur en maximum 30 km per uur op onverharde wegen.

Respect voor de natuur:

- U kijkt niet af van de gebaande wegen, behalve waar dat duidelijk toegelaten is.
- U rijdt niet in weiden of op bewerkte velden.
- Indien u op uw weg moet terugkeren, rijdt u door tot op een plaats waar u kan keren zonder uzelf, anderen of de omgeving in gevaar te brengen.
- Pluk niet zomaar bloemen, vruchten of planten.
- Gooi niets weg in de natuur en laat ook geen afval achter.
- In dichte begroeiing of in een bos rijdt u stapvoets.
- Als een ontwortelde of dode boom de weg versperd, maak dan de weg vrij door de boom in de lengterichting naast het pad te trekken. Gaat het om een levende of afhangende boom, hef dan het overhangend gedeelte op om er onderdoor te rijden of maak rechtsomkeer.
- Gelieve onder geen beding dieren aan het schrikken brengen of hen op te jagen.
- Als er 's nachts een dier in de lichtbundel van de auto gevangen wordt, gelieve te stoppen en uw lichten te doven.
- U zal niet voortdurend over hetzelfde pad rijden; u zal zachte bermen en andere gemakkelijk te beschadigen zones mijden.
- U zal alleen via het kortste traject door een doorwaadbare plaats rijden.
- U werpt geen sigaren- of sigarettenspekjes weg en steekt geen vuur of barbecue aan in de natuur.

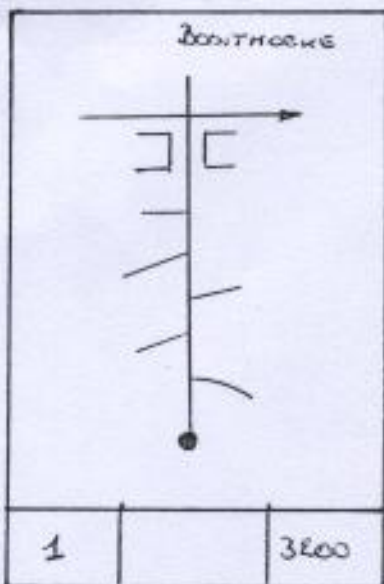

Eerbied voor de anderen:

- U gedraagt zich overeenkomstig elke signalisatie, omheining of afsluiting, hoe primitief ze ook is.
 - U geeft absolute voorrang aan voetgangers en wordt dubbel zo voorzichtig als er kinderen in de buurt zijn.
 - U geeft voorrang aan ruiters, hetzij door de motor stil te leggen, hetzij door vroeg genoeg te stoppen om hen de kans te geven zich te verwijderen.
 - Indien u door een gehucht of langs een afgelegen huis komt, rijdt u stapvoets en toont u zich hoffelijk en discreet.
 - U matigt uw snelheid bij het naderen van een verharde weg, u vermijdt het om brutaal te vertrekken en af te remmen.
 - U zal, indien mogelijk, bij het verlaten van een modderige weg zolang mogelijk op de pechstrook rijden en aldus vermijden dat er modder op de rijweg komt.
- Het 4x4-rijden is overigens vaak aan banden gelegd door reglementeringen. De 4x4-rijder wordt verondersteld kennis te nemen van die reglementen en zich ernaar te gedragen (vragen van toelating tot doorgang, doorwaden van waterwegen, halt houden,...) telkens de situatie dat vereist.

Alcohol en (4x4-)rijden gaan niet samen.

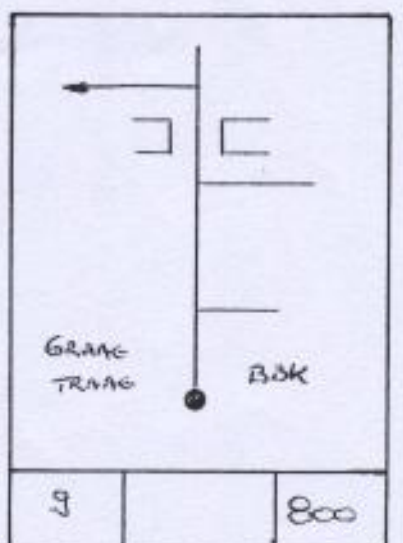

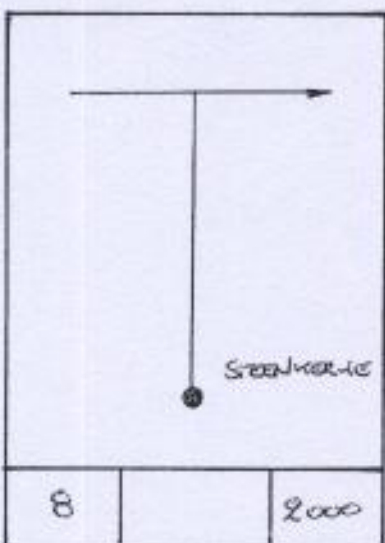

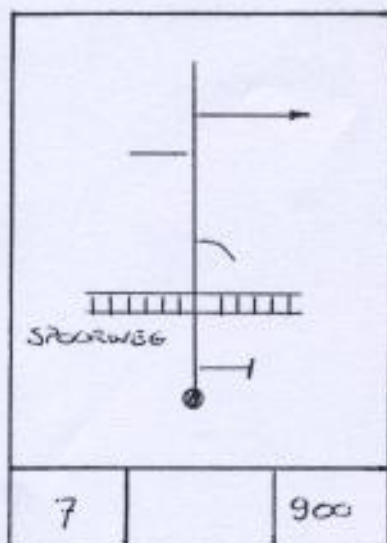

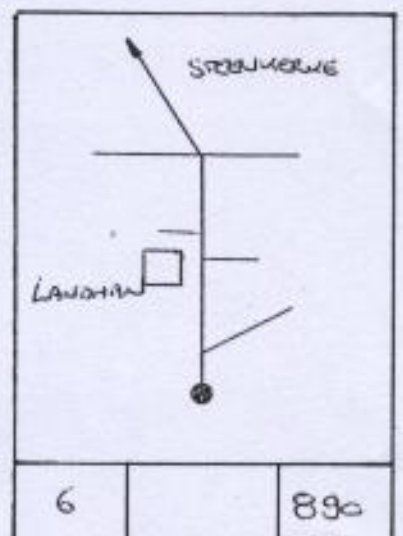

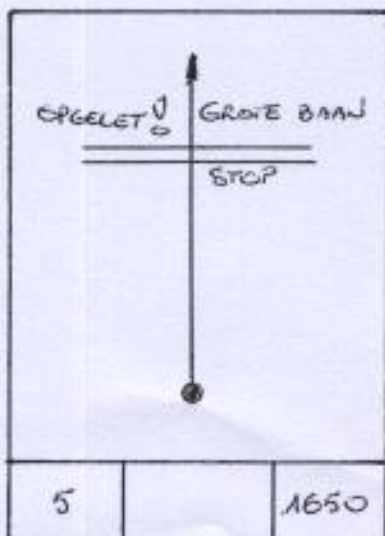

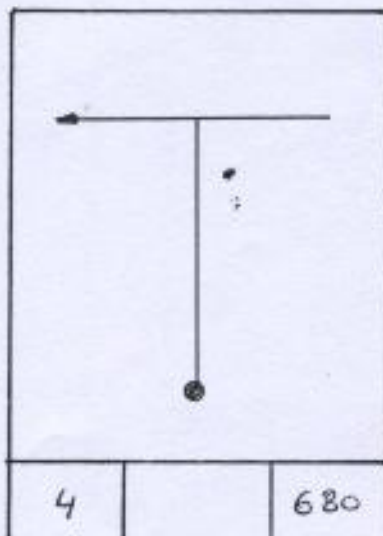

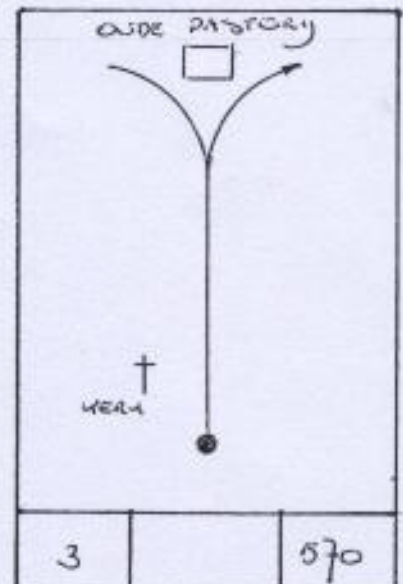

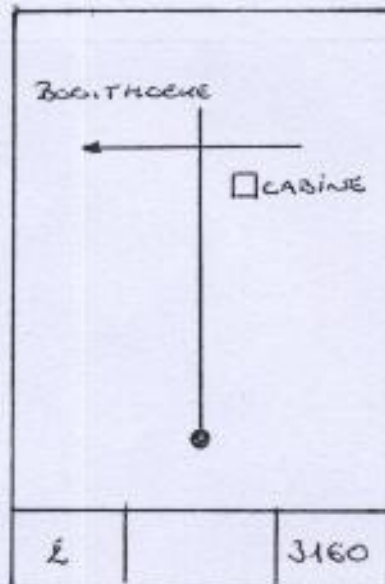

De start van dit roadbook bevindt zich aan de afrit E40 – Nieuwpoort – richting Diksmuide.

Van zodra u op het einde van de afrit komt, duwt u de dagteller op nul en begeeft u zich naar dia 1. Indien u problemen mocht ondervinden op de route (landbouwers, jagers, ...) dan kan u zich altijd naar een verder gelegen punt begeven door gebruik te maken van de coördinaten die hier en daar onder de verschillende dia's zijn vermeld.
